INTERNSHIPS

Hanumant Technology private limited | March 2025 - November 2025

- A very friendly and professional environment,I learnt lot of new things there .Completed a Nine-month internship as a Web Development Intern at WebDev Solutions Pvt. Ltd.

PROJECTS

Personal Portfolio | November 2025 - November 2025

- - Built using React, Tailwind CSS, and Framer Motion for smooth animations and modern UI.

- Fully responsive design showcasing your skills, projects, and personal details.

- Integrated EmailJS to enable users to send messages through the Contact form.

- Clean, interactive, and visually appealing sections for a professional developer portfolio.

Tic Tack Toe Game | October 2025 - October 2025

- - A simple and interactive Tic Tac Toe game built using JavaScript.

- Helped improve JavaScript fundamentals, DOM manipulation, and event handling.

- Enhanced logical thinking by implementing win conditions and game reset logic.

- Provides a clean, user-friendly UI for two players to play and track results.

Gullakh | August 2025 - August 2025

- - Tracks daily income and expenses to help users monitor their savings.

- Sends budget reminders/alerts when spending is close to or above the set limit.

- Shows real-time balance updates and monthly spending summary.

- Includes an AI-based chatbot to answer questions, give saving tips, and guide users.

Number Guessing Game | June 2025 - June 2025

- - Simple interactive game where the computer selects a random number.

- Player guesses the number within a limited number of attempts.

- After each guess, the game gives hints like “Too High” or “Too Low.

Pushtakshare | March 2025 - November 2025

- -----PustakShare – A Local Online Platform for Buying & Selling Used Books

--PustakShare is an easy-to-use online platform designed for book lovers who want to buy and sell old books within their local area. It provides an affordable and convenient way to share knowledge and make reading accessible to everyone.

With PustakShare, users can simply upload book photos, set a price, and pin their location. Anyone nearby who’s interested in the book can view the details, contact the seller, and make a purchase directly.

Whether you’re a student looking for budget-friendly textbooks or a reader searching for rare novels, PustakShare connects you to your local book community. It’s a simple, safe, and sustainable way to give your books a second life while saving money.
